STATE CLEARINGHOUSE

---

# NEWSLETTER

**December 16 through 31, 2000**

# **STATE CLEARINGHOUSE NEWSLETTER**

The State Clearinghouse distributes draft environmental documents to state agencies for review and comment, pursuant to the California Environmental Quality Act (CEQA). The State Clearinghouse also acts as the State Single Point of Contact for the review of federal grant applications and federal development projects. This Newsletter summarizes the environmental documents, federal notices and federal grant applications received by the Clearinghouse during the period December 16 through 31, 2000.

## **CLEARINGHOUSE CONTACTS**

Please contact The State Clearinghouse if you have any questions regarding processing of environmental documents or grant applications. We may be reached at:

Telephone: (916) 445-0613  
Fax: (916) 323-3018  
e-mail: [state.clearinghouse@opr.ca.gov](mailto:state.clearinghouse@opr.ca.gov)  
website: [www.opr.ca.gov/clearinghouse.html#clearinghouse](http://www.opr.ca.gov/clearinghouse.html#clearinghouse)

Questions regarding federal grant notices should be directed to Sheila Brown.

Questions regarding processing of environmental documents should be directed to:

Katie Shulte and Karen Fowler (for projects in Northern California)  
Scott Morgan and Brian Grattidge (for projects in Southern California)

## **CLEARINGHOUSE MAILING ADDRESS**

Please do not use our street address (1400 Tenth Street, Room 222) for mailing purposes. The correct mailing address is:

STATE CLEARINGHOUSE  
P.O. BOX 3044  
SACRAMENTO, CA 95812-3044

## **INFORMATION AVAILABLE ON-LINE**

The 1999 CEQA Guidelines are available from the Resources Agency's website at <http://ceres.ca.gov/ceqa/>.

The State Clearinghouse Handbook, which contains all of our environmental document and grant processing procedures and forms, is available on our website.

# Federal Notices

## **INTERGOVERNMENTAL REVIEW NOTICES (DECEMBER 15 - 31, 2000)**

The following are notices received by the State Clearinghouse from federal agencies in compliance with Executive Order 12372. If you would like more information about the subject matter, please contact the agency representative listed below.

**AGENCY:** U.S. Department of Agriculture – Forest Service

**CONTACT:** Beth Paulson/John D. Berry

**TELEPHONE:** (530) 622-5061

**E-MAIL:** N/A

**ADDRESS:** U.S. Department of Agriculture – Forest Service  
Eldorado National Forest  
100 Forni Road  
Placerville, CA 95667

**DESCRIPTION:** The Forest Service released the Eldorado National Forest's Schedule of Proposed Actions on December 15, 2000. The Schedule includes projects being considered on the Eldorado National Forest and is designed to provide you with information and invite your input on ongoing Forest environmental analyses. Projects are separated by Forest unit and include a description of the project, the location, pertinent dates, analysis status, and a contact person. If new information is discovered, the dates and other information included on the Schedule will be subject to change and revision. Suggestions on improving the Schedule are welcome. For a copy of the Schedule, please call the contact person(s) above.

**E-MAIL:** N/A

**ADDRESS:** 2800 Cottage Way, Room W2605, Sacramento, CA 95825

**DESCRIPTION:** The USFWS announced on November 29 that an amendment to the draft Recovery Plan for the Gabbro Soil Plants of the Central Sierra Nevada Foothills is available for public review and comment. The draft plan, released in March 1999, presented strategies for recovering five federally listed plants and conserving one species of concern. The amendment includes a revision of and correction to the preserve recommendation maps that were included in the original draft plan. Comments and requests for copies of the amendment or draft plan should be addressed to the Field Supervisor of the Sacramento Fish and Wildlife Office.

**N:** Impact Statement/Report for the Natomas Basin Habitat Conservation Plan (HCP). The EIS/EIR will cover incidental take permits to the City of Sacramento and Sutter County along with a revised HCP for the Natomas Basin. A federal court ruled in August 2000 that the Service should have prepared an EIS for the original Natomas Basin HCP (1998). The Service, the City, and the County are now preparing a revised HCP and joint EIS/EIR to correct this matter. The HCP will address incidental take of the federally listed giant garter snake, Aleutian Canada goose, valley elderberry longhorn beetle, several species of fairy shrimp, Colusa grass, Sacramento Orcutt grass, slender Orcutt grass, and 16 currently unlisted species. Scoping meetings will be held in Pleasant Grove on January 3 and in Sacramento on January 4. Written comments on the EIS and HCP should be submitted to Vicki Campbell, Chief, Division of Conservation Planning, USFWS, by January 16, 2001.

**E-MAIL:** N/A

**ADDRESS:** U.S. Bureau of Reclamation, 2800 Cottage Way, Sacramento, CA 95825

**DESCRIPTION:** The USBR and the San Joaquin River Group Authority have jointly prepared and released for public review a Draft Supplemental Environmental Impact Statement/Report for the acquisition of additional

water for meeting the San Joaquin River Agreement flow objectives for 2001-10. The proposed action is to acquire additional water beyond that covered in the Final EIS/EIR prepared for "Meeting Flow Objectives for the San Joaquin River Agreement, 1999-2010" (January 1999). The supplemental water addressed in the Supplemental EIS/EIR consists of up to 47,000 acre-feet from the Tuolumne and Merced Rivers to provide full Vernalis Adaptive Management Plan test flow conditions at Vernalis during "double step years" for water years 2001 through 2010.

**TELEPHONE:** N/A

**E-MAIL:** N/A

**ADDRESS:** FERC, 888 First Street, N.E., Room 1A

**DESCRIPTION:** FERC will prepare an environmental assessment (EA) that will discuss the environmental impacts of the Kern River Expansion Project, involving

construction and operation of facilities by Kern River Gas Transmission Company in Wyoming, Utah, and California. These facilities would consist of about 49,500 horsepower of compression distributed among three new and one existing compressor stations. In California, the project would involve construction and operation of a new 6,500 horsepower electric motor driven compressor station in San Bernardino County, to be co-located at the existing Daggett Interconnect metering facilities on a 27.7-acre site. Comments must be sent with one original and two copies. Refer to Docket No. CP01-31-000.

2000122065	Vaughn Modification to Zertuche Parcel Map Subdivision (PMS-70-90-M) Humboldt County Planning Department Eureka--Humboldt Modification to the Development Plan for Parcel Map 3026 (PMS-70-90) to permit the remodel of an existing single family dwelling. The remodel will increase the building footprint 630 square feet over the 500 allowance permitted by the County's Open Space regulations for existing structures located within the Streamside Management Area buffer for Essex Gulch Creek. The applicant seeks a reduction of the SMA width in the area of the building addition to be off-set by revegetation of an approximate 3,200 square foot area surrounding the residence that was previously converted to lawn. The additional building footprint will not result in the removal of any riparian vegetation and the enhanced riparian buffer strip will expand the natural vegetation between the house and sensitive resource area.	<b>Neg</b>	01/17/2001
2000122066	Tentative Parcel Map 37-166 4 Parcels - 40 acres each Mono County Planning Department --Mono The proposed project would subdivide a 160-acre parcel into four parcels measuring approximately 40 acres each. The land is currently undeveloped and used for periodic cattle grazing. The project would result in the eventual construction of four single-family residences and accessory structures.	<b>Neg</b>	01/17/2001
1993021055	Rossmoor Business Park Orange County Laguna Woods--Orange The CDFG has issued an Agreement Regarding Proposed Stream Alteration (SAA #5-205-00) ("agreement") to the Leisure World, City of Laguna Woods ("applicant") in conjunction with the applicant's proposal to alter the streambed to construct an assisted living facility and parking lot. The creek will be placed in an underground pipe, and backfill, permanently impacting 0.1 acre of streambed and associated mulefat scrub habitat. Mitigation for permanent impacts to the stream and its associated habitat will include the creation and restoration of 0.20 acre of riparian habitat upstream of the project site.	<b>NOD</b>	
1997092007	Stanly Ranch Napa, City of Napa--Napa Proposal to expand the existing 100 acre vineyard on the Stanly Ranch property to approximately 340 acres.	<b>NOD</b>	
1999092082	North Village 1999 Specific Plan Amendment Mammoth Lakes, City of Mammoth Lakes--Mono The approved North Village Specific Plan (1991) involves development of a destination resort facility including lodging, commercial and residential uses on 64.1 acres. The proposed amendment includes circulation and parking modifications, changes to height limitations and setbacks, changes in development standards, establishment of design guidelines, modifications to public facilities and housing requirement changes. This coupled with the elapsed time since the 1991 certification of the original North Village Specific Plan EIR	<b>NOD</b>

2000124004	Soil Survey National Park Service --Inyo, San Bernardino A parkwide soil survey will be done in Death Valley National Park by the Natural Resource Conservation Service of USDA.	EA	01/19/2001
2000081120	City Center Project Bakersfield, City of Bakersfield--Kern The proposed City Center project is a mixed-use sports/entertainment commercial center with a residential component. The project requires a zone modification to increase the height of the proposed senior housing units, approval of Conditional Use Permits to allow for the multi-use stadium within light manufacturing and commercial center zones, an amendment to the Southeast Bakersfield Redevelopment Plan to allow Redevelopment Agency funding for the stadium. The proposed project includes the development of seven major components: multiplex movie theatre (70,000 square feet), Town Center retail (12,000 square feet), multi purpose stadium (5,000 permanent seats and 3,000 berm seats), sports cafe and video game fun zone (18,000 square feet), community recreational facility (73,000 square feet), five restaurants (27,600 square feet), and senior housing (180 units).	EIR	02/05/2001
2000101124	Artesia Redevelopment Project Area Artesia, City of Artesia--Los Angeles The proposed Project is the adoption of a new redevelopment plan for a project area known as the Artesia Redevelopment Project Area in accordance with the standards of the CRL, Health and Safety Code Section 33000, et seq. The project area consists of 411 parcels and 247.6 acres in the City of Artesia. The purpose of the Redevelopment Plan is to eliminate the conditions of physical and economic blight that exist in the Project Area through revitalization and reuse of commercial, industrial and vacant properties.	EIR	02/05/2001
2000111133	Draft Dairy Element of the Kings County General Plan Kings County Lemoore--Kings The proposed project presents a comprehensive set of goals, objectives, and policies to guide development, expansion, and operation of milk cow (bovine) dairies within the County. The Draft Dairy Element ("the element") is designed to accomplish two equally important major purposes. The first purpose is to ensure that the dairy industry of Kings County continues to grow and contribute to the economic health of the County. The second purpose is to ensure that the standards established in the Draft Dairy Element protect public health and safety and the environment. The County has determined that the best way to accomplish these combined goals is to adopt a separate general plan element that establishes development and operational policies for the local dairy industry. 2000092026	Elverta Specific Plan/Countryside Equestrian Estates (Control No: 99-SBF-GPB-CZB-0351/00-RZB-SDP-0442) Sacramento County --Sacramento A NOP of a Draft Environmental Impact Report for the Elverta Specific Plan project was issued on September 6, 2000. That project has subsequently been revised to also include request for rezone and tentative subdivision map entitlements for the 275.4+/- acres of land known as Countryside Equestrian Estates (CEE) located within the northeast portion of the Elverta Specific Plan area. Changes to the Elverta Specific Plan project description as contained in the original NOP are necessary to reflect inclusion of the CEE rezone and tentative map requests within the Elverta Specific Plan project proposal. The project consists of adoption of the Elverta Specific Plan and related land use entitlements which will guide the development of 1,734 acres of land located in north central Sacramento County in a comprehensive and coordinated manner. The proposed Specific Plan is primarily residential in character: it includes 894 acres of urban residential uses and 552 acres of agricultural-residential uses with a total holding capacity of up to 4,950 units; 10 acres of commercial uses; 20 acres of school uses; 20 acres of park uses; 19 acres (former landfill site) for potential use as an equestrian center; and 219 acres to be used for drainageways, detention facilities, trails, powerline corridor and major roads.	<b>NOP</b>	01/26/2001
